## SPECIAL MEETING

### GREATER GLENDALE DEVELOPMENT ASSOCIATION ELECTS OFFICERS

A specially called meeting of the Greater Glendale Development Association was held in the office of H. L. Miller, 109 South Brand Boulevard, Friday evening, December 12. The meeting was called to order by the president, Norton C. Wells; C. D. Lusby, secretary, being at his post of duty. Chairman Wells stated that the purpose of holding the meeting was to take up several questions of importance and also to elect officers for the ensuing year. At this time the secretary read a communication in which J. R. Grey of Doran Street made an offer of nine and a half acres of land to the city for \$10,000, the same to be used for park purposes. Mr. Gray stipulated in this offer that he would donate \$2,500 to aid in the purchase of this plant. This property is situated north of Doran Street and between Pacific Avenue and the San Fernando Road and could be made very suitable for park purposes. The chair appointed C. L. Chandler, V. M. Hollister and T. W. Watson as a committee to confer with property owners in the locality of the site offered by Mr. Grey.

The question of the incoming secretary attending the convention of Chamber of Commerce secretaries to be held at Pasadena, December 29th to January 1, was discussed and a motion carried that the secretary of the Greater Glendale Development Association be authorized to attend this meeting at the expense of the Association.

Secretary Lusby reported that there was a deficit in the treasury and recommended that immediate steps be taken to have a sufficient amount of money subscribed to pay back bills and leave a respectable amount in the treasury for incoming officers. The suggestion was heeded and soon more than a hundred dollars was subscribed and checks for the same handed to the secretary.

The election of officers being in order, the chair appointed W. E. Evans, C. L. Chandler and Roy L. Kent as a nominating committee. This committee retired and after due consultation returned with the following report:

President, L. T. Rowley.  
First Vice President, Roy L. Kent.  
Secretary, Glen W. Ely.  
Treasurer, C. D. Lusby.  
Vice Presidents: A. L. Baird, H. P. Coker, A. T. Cowan, Chas. L. Chandler, W. E. Evans, J. R. Grey, David L. Gregg, V. M. Hollister, W. E. Hewitt, John G. Huntley, C. W. Ingledue, W. B. Kirk, Eugene Learned, H. L. Miller, Robert L. McCourt, H. G. MacBain, James Neill, Ezra F. Parker, Alfred F. Priest, Nathan Rigdon, Spencer Robinson, J. Herbert Smith, W. A. Tanner, W. C. Wattles, Norton C. Wells.

The report of the committee was adopted and the secretary was instructed to cast a ballot for the election of officers as named. L. T. Rowley, the newly elected president, was escorted to the chair by his predecessor and after a brief statement as to the plans he intended to carry out short talks were given by W. E. Evans, C. D. Lusby, J. G. Huntley, Roy L. Kent, Norton C. Wells, H. P. Coker, C. L. Chandler, and others.

The next meeting of the association will be held Tuesday evening, December 16th.

## MUSIC SECTION

The regular meeting of the Music Section of the Tuesday Afternoon Club was held at the home of Mrs. Charles Marlenee, 301 South Central Avenue, on Friday, December 12th, with the Curator, Mrs. Charles A. Parker, presiding.

After the usual business session, the afternoon was given over to one of the most delightful programs the section has had the good fortune to procure. It was significant of Christmas time and spirit. The program was as follows: "Christmas Music," an original paper, by Mrs. J. T. Crampton; piano solo—"Hallelujah Chorus," from the "Messiah," by Handel, Miss Gertrude Champ-lain; violin solo, "Schubert's Ave Maria" and "On the Banks of the Stream," by Boesbiffre; Mrs. Dorothy Armstrong Welcome, accompanied by her sister, Mrs. Charles Marlenee; solo, "Bethlehem," by Gains, Mrs. Charles A. Parker, who for five years studied with Gains as his pupil and received the first autographed copy of this piece of music; Duet, "Silent Night," Mrs. Frank Arnold and Mrs. C. A. Parker.

Following the close of the program, delicious refreshments were served by the hostess, who was assisted by Mrs. Armstrong and Miss Eva Daniels. Thirty ladies were present.

## CHRISTMAS PROGRAM

### CLOSE OF SCHOOL AT INTERMEDIATE MARKED BY PAGEANT AND CAROLS

The close of school for the holiday vacation was marked at the Intermediate by a very nice Christmas program at an assembly called for 2:30 o'clock Friday afternoon. It opened with announcements by Principal White that all boys and girls who were willing to sell tags for Assyrian Relief, or to make gifts to the needy of Glendale were asked to report at the headquarters of Glendale Red Cross Chapter on Brand Boulevard.

There was a short meeting of the Athletic Association over which Robert Frazee presided at which a vote was taken to make a Christmas gift to Mr. Springer, janitor of the school, who is still in the hospital slowly recovering from blood poisoning resulting from a slight injury he received in the course of his work. He has been the recipient of considerable attention from pupils in the various rooms of the school in the way of friendly notes, flowers, fruit, etc.

The Christmas program which had been arranged by Miss Frances Jackson and Miss Gladys Sharpe was then put on. The first numbers were Christmas songs by sections of the Girls' Glee Club.

Mr. White then made a talk in which he reminded the children that when they were small Christmas to them meant Santa Claus and the receiving of gifts, but that now they are old enough to better understand its beautiful meaning as an anniversary. All nations, said he, celebrate the birthdays of their great men, but this birthday is celebrated by all the (Continued on Page 6)

## MODERN AND CONVENIENT

The First Methodist Episcopal church of Glendale has had installed an accousticon which will give to those who are almost entirely deaf the privilege of hearing the sermon and the church music. There are twelve stations now installed and more will be placed as they are demanded.

The church also recently voted in its official Board to adopt the centenary quota of conversions up to June first. This will mean 142. In this number those who join by letter or on confession of faith are not included. A special revival meeting will begin the middle of January, with Rev. Fred H. Ross assisting the pastor, Dr. Crist.

Large numbers are joining this church. On a recent Sunday 29 were received and next Sunday an almost equal number are planning to join.

## SCOUT MASTERS DINE

Glendale Scout Masters enjoyed a dinner at the White Inn Friday night at which nearly all the troops were represented, viz: Mr. Loomis of Troop 1, Mr. Blanford of Troop 4, Dr. Farwell of Troop 2, Mr. Kellogg of Troop 3. Objects of the meeting were to definitely settle upon a system of tests for the boys, to make plans for a scout hike next Saturday, and various other matters having to do with scout work for the coming year. A decision was reached to have a Scout Masters' dinner once a month to promote uniform work on the part of the masters and stimulate enthusiasm.

## SINGLE TAX MEETING

Grouped around the blazing fire at the home of Mr. and Mrs. F. C. Merrick last evening their friends and neighbors listened to the astonishing facts regarding the rapid monopoly of our country's land, as told by Mr. W. L. Ross, how in ten years census reports showed that instead of 85 per cent of our people owning 85 per cent of the land, 15 per cent of the people owned 85 per cent of it. Mr. O. B. Poor estimated that now 5 per cent of the people owned nearly all the land.

Mr. J. H. Mac El Downey showed how land monopoly pushed prices of land up to such a point that products must be sold at a high price or the producer would go bankrupt, that there is no need whatever of this condition; that by the proposed change in the laws, the weight of taxation would be shifted so as no longer to favor keeping land idle, but to encourage those who want to produce, thus lowering the cost of living.

Mr. Mac El Downey also gave an original visual demonstration of his points with apparatus.

There was a good attendance and all had a good time.

## TO WITHDRAW FROM RUSSIA

### ALLIES DECIDE TO LET THE RUSSIANS WORK OUT THEIR OWN SALVATION

(Special Service to Glendale Evening News)

LONDON, Dec. 13.—Allied representatives conferring here have decided to let Russia settle her own difficulties, according to word from a reliable source. It is understood that Premier Clemenceau and Lloyd George and the Foreign Minister of Italy reached a decision to withdraw allied aid from any of the Russian factions and leave Russia to her own salvation.

England and France as well as Italy are beginning to show an inclination to accept "reasonable reservations to the peace treaty such as the United States senate might demand." It is believed that the allied representatives who are here, at their meeting yesterday discussed the question of reservations. American Ambassador Davis and a representative of Belgium attended yesterday's conference. One official said he believed the allies "are prepared to swallow most of the senate reservations" as "the price of American aid."

## ATLANTIC GALE SWEEPS NORTHERN COAST

### MANY STEAMERS ARE REPORTED IN DISTRESS AT SEA OR DRIVEN ASHORE

(Special Service to Glendale Evening News)

NEW YORK, Dec. 13.—Gales which swept Nova Scotia and the north Atlantic coast have caused numerous reports of steamers in distress and several are ashore. The British steamer "Orange Park" went ashore last night seven miles east of Ambrose Light. The British steamer Messina is reported in distress 430 miles off New Foundland. Montreal reports that the steamers Lake Galewood and Lake Elmsdale are aground in the straits of Canso but may get off soon undamaged. The steamer West Loftus which was towing the disabled steamer Davidson County belonging to the U. S. Shipping Board, sprung a leak last night and is racing for Halifax leaving the Davidson County helpless at sea. The steamer E. C. Kingsley is ashore at Whitehead, Nova Scotia and the schooner Sheba is calling for aid from a point 330 miles off Halifax. The steamer Pro Patria has wireless for aid from a point near Halifax and the Platea is still ashore at Sable Island. No further word has been received from the British steamer Hornsen in distress near Sable Island.

Point Lookout, New York, reports that an unidentified ship is ashore at Jones Inlet.

## MANNING OF COAL MINES CONTINUES

### PREDICTED THAT BY MONDAY NORMAL PRODUCTION WILL BE RESUMED IN ALL FIELDS

(Special Service to Glendale Evening News)

CHICAGO, Dec. 13.—Reports received here today show that still more coal miners are returning to work. President Farrington of the Illinois branch of the miners' union appealed today to all hold-outs to return to work immediately. He predicted that the mines would have a normal force at work by Monday. In Kansas the regular workers began gradually replacing the volunteers, and it is believed that troops can be withdrawn from the mines there soon.

## VILLISTAS TAKE PRISONERS

### HOLD EIGHT MEXICANS, TWO AMERICANS AND ONE ENGLISHMAN FOR RANSOM.

(Special Service to Glendale Evening News)

EAGLE PASS, Tex., Dec. 13.—Reports reaching the border from Musquiz, Mexico, one hundred miles south of here, say that Villistas took eight Mexicans, two Americans, and one Englishman from Musquiz when they left the city last night and are holding them for ransom. A ransom of \$5000 is asked for the Mexicans and \$10,000 for the Americans.

## LABOR LEADERS TO ISSUE STATEMENT

### WILL GIVE NOTICE OF ATTITUDE OF LABOR TOWARD PRESENT INDUSTRIAL SITUATION

(Special Service to Glendale Evening News)

WASHINGTON, Dec. 13.—Labor leaders today opened their conference with President Gompers of the American Federation of Labor. They announced that they purposed to issue a public statement "giving notice of the attitude of labor towards the present industrial situation."

## GERMAN CHRISTMAS TOYS

### DEPARTMENT OF COMMERCE SAYS THEY ARE BEING DUMPED ON MARKETS IN THIS COUNTRY

(Special Service to Glendale Evening News)

WASHINGTON, Dec. 13.—The Department of Commerce made public this morning figures showing that hundreds of thousands of dollars' worth of German toys are being dumped on the Christmas market in this country.

## O. E. S. INSTALLATION

### GLEN EYRIE CHAPTER PROVIDES BEAUTIFUL SETTING FOR INDUCTION OF NEW OFFICERS

More than usually impressive were the ceremonies connected with the installation of officers of Glen Eyrie Chapter of the Eastern Star which took place Thursday night.

A very beautiful setting for the event had been provided by the committee on decoration of which Mrs. Warren Roberts was chairman. She was assisted by Mesdames E. U. Emery, A. W. Tower, Daniel Campbell, C. O. Pulliam, H. E. Betz and R. V. Hogue, and was also greatly aided by the kindness of Freeman Kelley in securing and placing the adornments. The decorations had been installed for the most part in time to be enjoyed by members of Unity Chapter at their installation the night previous, but a few effective last features were added. Poinsettias were placed in the fern balls suspended from the beams and were also placed in the recessed vases on the walls.

Above the altar which centered the hall were crossed strands twined with smilax from which was suspended an asparagus fern ball set with poinsettias. These flowers also filled a big fernery covered with smilax and asparagus which was placed in the east. Five pedestals surrounding the altar formed the points of the star and these were twined with smilax and carried bowls filled with flowers of a color appropriate to the star point. In the east were more pedestals which (Continued on Page 6)

## CHAPTER L MEETING

Members of Chapter L of the P. E. O. enjoyed an unusually pleasant all-day meeting Wednesday at the home of Mrs. Warren Roberts on East Elk Avenue. Assisting hostesses were Mrs. Josephine Bryant, Mrs. Genevieve Neel, Mrs. May Dickman and Mrs. May Emery. A business meeting convened at 10:30 and a delicious two-course luncheon was served at noon to the twenty-eight members and guests present, at tables spread in the dining room and breakfast room which were centered with roses and smilax.

The program of the afternoon was in charge of Mrs. Lida Border, who read a most entertaining paper entitled "A Demonstration of Early Hospitality."

Guests of the day were Mrs. Mary Goodwin of Chapter A. H. Mrs. Pauline Russell and Mrs. Fern Clark of Chapter B. A.

## DEATH OF THOMAS J. MORGAN, JR.

The friends of Thomas J. Morgan, Jr., and he had many in this community, learned with sincere sorrow that on Friday morning, December 12, 1919, he passed away at the home of his parents, Mr. and Mrs. Thomas J. Morgan, of 522 West Harvard Street. He was a soldier and served for five or six months in France with the 55th Artillery, returning last March with the rank of first sergeant. Had he lived until the 20th of this month he would have been twenty-six years of age. He was born in Boston and had lived in Glendale for the past five or six years. He leaves besides his parents, two brothers—Will Morgan, now in Boston, and Francis, who resides with his parents, and two sisters—Miss Anna Morgan of Boston, who is now visiting in Glendale, and Miss Irene Morgan, who is with her parents. An aunt, Mrs. L. Higgins of Berkeley, California, is expected to arrive this morning.

Tom was a fine automobile driver and has served in that capacity off and on ever since he came to Glendale for Mrs. Louise Purnell, who has taken many a long pleasure trip with him at the wheel. She is grief stricken over his death, as he was like a member of her own family. His death resulted from pneumonia following an attack of tonsillitis.

Funeral services will be held at 9 o'clock Monday morning at the Holy Family Catholic Church, and interment will take place in Calvary Cemetery.

## DOYLE-ROBINSON

Rev. C. R. Norton of this city was called to Los Angeles December 11th to perform the pleasant task of uniting in marriage two fond hearts, Mrs. Emma A. Robinson and H. C. Doyle, both of Los Angeles. The wedding took place at the home of the bride on North Broadway, where she and her husband will continue to reside. She is a niece of Mrs. Smalley of Scholl Canyon Road, and she has quite a circle of friends in Glendale who will be interested in her new estate.

## GOLDEN WEDDING

### FRIENDS SURPRISE MR. AND MRS. E. R. WILBUR CELEBRATING FIFTIETH ANNIVERSARY

Mr. and Mrs. E. R. Wilbur of 506 West California Avenue were delightfully surprised last Sunday by relatives and old friends from Peoria, Ill., and St. Louis, Mo., who are now living in Southern California. They came in the afternoon to celebrate the golden wedding of the pair, which they themselves had made no effort to observe because of the frail health of Mr. Wilbur. They brought with them a delicious supper which was enjoyed by the company at a table made beautiful with floral decorations and appointments in golden colors and on which a table runner was used, which had served at the golden wedding of Mrs. Wilbur's parents. Mrs. Wilbur, who is a sister of C. E. Norton of this city, was known as Miss Miriam E. Norton, and her marriage to Mr. Wilbur took place at Salina, Kas., in 1869, Mr. Wilbur being a veteran of the Civil War, in which he attained the rank of Lieutenant. Those present were: Mrs. F. A. Vickery and Mrs. W. C. Richards of Los Angeles, Mrs. E. F. Easton, Miss Nell Hall, Mrs. Carrie Fletcher of Los Angeles, Mrs. Robert Reed, Mr. and Mrs. Herbert Reed of Long Beach, Mr. and Mrs. Ezra Parker and daughter, Miss Lucile Parker of Glendale, and Mr. and Mrs. C. E. Norton of this city.

Mr. and Mrs. Wilbur were the recipients of many remembrances in the way of flowers, letters, telegrams, gifts of various sorts, and quite a shower of gold coin.

## FUNERAL OF MARTHA W. MORRIS

Friday morning the Little Church of the Flowers in Forest Lawn Memorial Park was filled with sincere mourners who came to pay their last tributes of respect to Martha W. Morris. The service was conducted by Rev. Runkels of Alhambra, an old-time friend of Mrs. Morris and a former rector here. Many members of the Tuesday Afternoon Club were present and beautiful floral tributes were sent by that organization. The D. A. R. was also largely represented, the members present each bringing a small bouquet of red, white and blue flowers which were laid upon the casket. "Abide With Me" was sung by Walter Buttery, his sister, Mrs. Charlotte Laker of Los Angeles, playing his accompaniment. Both of them had been in a Sunday school class taught by Mrs. Morris years ago in Kansas City.

## STRENGTH IN UNION

### CO-OPERATION THE KEYNOTE SOUNDED AT MEETING OF WELFARE COUNCIL

A meeting of the executive committee of the Glendale Welfare Council was held at the City Hall Thursday evening.

Mrs. E. D. Yard, the recently elected chairman, presided and outlined the plan of work. Mrs. Yard is a veteran in welfare work, having been with the Associated Charities in the City of Boston before coming west, and also has been a very active worker for a number of years in Glendale.

The plan as outlined is broad in its conception and unlimited as an agency for good. It contemplates the uniting of all agencies for relief, not only to avoid duplication but to increase the helping power of a central organization.

The different organizations appealed to, club, lodges, churches, P. T. A., etc., are responding nobly. Three more organizations, namely the Glendale Chamber of Commerce, J. W. Usilton, chairman, the First Methodist Church, represented by Mrs. A. W. Tower and Unity Lodge, R. W. Masters, master, having joined the council since the last meeting, making fifteen organizations who are members.

The schools and others are already contributing for the Christmas baskets for the needy, the articles being sent to the rear room of the Red Cross shop on Brand Boulevard, where a committee of which Mrs. King is chairman, is taking care of them.

Any one having toys, clothing, fruit, or food can leave them there every afternoon next week.

All persons knowing of needy ones will please report same to the chairman of the organization with which they are affiliated, or to Mrs. Blackburn at the City Hall.

## DINNER PARTY

Mr. and Mrs. J. F. Farber and son Percy Farber of 219 Palmer Avenue entertained with a six-course dinner Friday evening at 5 o'clock, at which covers were laid for Captain and Mrs. Cross of Los Angeles, Mrs. Wear of Los Angeles, Mr. and Mrs. Edward Ayers of Palmer Avenue, Glendale, and the host and hostess and their son. They are new comers from Canada who recently purchased their home on Palmer Avenue, and the orange groves and blossoms are of the greatest interest to them. The hostess used these flowers in the decorations of her table.

## AUTOMOBILE DON'TS

LESSEN THE NUMBER OF AUTOMOBILE ACCIDENTS BY OBSERVING THE DON'TS

Here are the latest "don'ts" compiled by the Automobile Club of Southern California for motorists to learn if they would help reduce the remarkable number of accidents on the highways throughout the southern part of the state:

Don't blow your horn in an attempt to hurry a herd of cows off the road. It can't be done.

Don't start a race with a friend on a public highway.

Don't fail to give proper warning when attempting to pass a machine from the rear.

Don't leave your car standing with the engine running.

Don't speed through small towns.

Don't go back onto main highway or away from the curb without holding your signal arm out.

Don't cut corners, even in the country.

## FINES AND PENALTIES

VIEWING THE DEAD, CARING FOR INJURED, DOING REPAIR WORK ON RURAL ROADS

Compulsory rides with police ambulances through traffic for three days.

Witness coroner's autopsies for a period of seven days.

Three to five days' repair work on roads wearing red cotton coat.

Service in "glass gang" to sweep up broken glass on local highways.

These are some of the court sentences proposed for speeders and "accident hounds" in Southern California.

(Continued on Page 5)

Don't depend on the other fellow to stop.

Don't take a chance and try to beat a street car or a train to a crossing.

Don't fail to drive slowly past a school.

## FAITH IN AUTOS

NEVER GOES ANYWHERE IT CAN'T GET BACK FROM, SAYS NEGRO MAMMY

The majority of Ford owners are proud of their cars. In fact, if they can get listeners, they will spin yarns by the hour about the performances of their little car. There is one, an especially rabid fan, who delights in telling B. L. Graves, manager of the Los Angeles branch of the Ford Motor Company, the story about the negro mammy who divided her faith between her church and the Ford car. The pastor held that the automobile had taken more people away from church than any other agency.

"The Ford car," he claimed, "has carried 2,000,000 people to hell any away from their church." Just then a mammy moaned and swayed and clapped her hands to the refrain: "Praise the Lord, Praise the Lord." The parson asked her the trouble.

"The Ford never went any place that it couldn't get back from," she answered, "and it'll bring a double load back from hell. Praise the Lord!" In praising their cars most of the owners claim that they have fords that have never been overhauled. The Consolidated Lumber Company, with offices at Jefferson and Main streets, has a Ford truck which undergoes overhauling every day, according to L. A. Canahl, sales manager of the institution.

The truck was sold to the institution by one of the Los Angeles dealers as a one-ton truck. Every day, the truck hauls 1500 feet of lumber on the truck, and 1500 feet on a trailer, making a load of more than four tons in all. Despite the fact that the truck is given to overhauling every day, it has stood up remarkably under the strain of the work, according to Mr. Canahl and promises to outlive the ponderous heavy trucks that are used by many institutions.

So pleased was he with the performance of the truck, Mr. Canahl immediately placed an order for another truck and expects that they will be established as the standard vehicle in the company's mills at Wilmington, California.

## BARNEY MEANS IT

GIVES WHOLE ATTENTION TO RAPID EXPANSION OF HIS NEW BUSINESS

When it became known in motor-dom's inner circle here that Barney Oldfield had declined to even consider a series of match races with Eddie Rickenbacker—an offer which, according to the promoter who made it embodied the largest cash guarantee ever promised the veteran in his entire driving career—even the most skeptical of Barney's friends admitted that his retirement from racing must be considered as final.

Had there been any lure which could have brought the newly established tire magnate back into competition on the race tracks which knew him so well, the proposed Rickenbacker series would have done so. But Barney answered the promoter's offer without hesitation and with the air of a man whose mind has been made up beyond the possibility of change.

"No chance," declared the former "Old Master" as soon as the promoter had outlined his proposal.

"I doubt if you can get Rickenbacker, I know you can't get me. There are three or four reasons why I can't consider racing again, but the best one is, I haven't the time."

"The day came when I had to choose between racing and business, and the choice was for keeps. The business opening was the one I'd planned on for a good many years. It came and I chose. It was the wisest move I ever made in my life. Not for a moment can I consider reversing myself."

"Never look back" was the motto I used on the race track. There are times when it's a good one in business, too, and this is one of them."

Mr. Oldfield's associates in the Oldfield Tire Company frankly admit their delight at the ready grasp the former track king has shown of business problems of wide variety and of importance running up into the millions.

From the start Mr. Oldfield, they say, has shown that his success as a money-making race driver was due to business sagacity and salesmanship, fully as much as to daring and track skill. Relieved of the problems of the actual racing and centralizing his entire efforts on business, he has further developed this natural ability.

"Mr. Oldfield is one of the best men on major matters I have ever worked with," declared a veteran efficiency expert of the company's staff.

That President Oldfield has plan-

## WHO IS TO BLAME?

At the coroner's inquest over the body of Geo. E. Adams at the undertaking parlors of the Jewel City Undertaking Co., Friday morning, the man who had driven the truck that was the cause of Mr. Adams' fatal accident was a Russian, and although he had lived in the United States for twelve years, he could not speak or read the English language and it was necessary for an interpreter to convey to him the meaning of questions asked by the jury. A man of that character should not be allowed to drive a motor vehicle on the public highway.

## LOCAL FIRM TAKES ON BARNEY OLDFIELD PRODUCTS

The Glendale Vulcanizing plant, Lyman & Lund, proprietors, have put in a stock of Oldfield and fabric tires. "We have been watching the Oldfield tires on local cars and have talked with many dealers in this part of the country and have never heard of a blowout of an Oldfield Tire," said W. G. Lyman. "In fact, Barney Oldfield dares to advertise that Oldfield Tires do not blow out. Every Oldfield Tire can be retreaded, thus giving the car user great mileage at little cost."

ned wisely and executed effectively is shown in the immediate success of his company which now holds contracts with a nation-wide force of dealers and distributors, and is already marketing tires at a rate of between \$5,000,000 and \$10,000,000 for its first year.

## WELCOME 'GREEN SEAL'

MR. BLIX OF THE BLIX-HUNT COMPANY TELLS ADVANTAGES OF PREST-O-LITE

Automobile drivers throughout Southern California are welcoming the new "Green Seal" Prest-O-Lite battery as the most economical yet placed on the market. The fact that the battery is virtually made the same day that it is put in your car, has attracted the attention of hundreds of motorists all over the Southland who at first wonder how such a thing is possible in battery construction, considering that Southern California is some two thousand miles removed from the Prest-O-Lite factory at Indianapolis.

"It is just this way," remarked Mr. Blix of the Blix-Hunt Company, local distributor for the Prest-O-Lite Green Seal battery, "the secret of success of the Prest-O-Lite Green Seal battery lies in a perfected process of manufacture which permits the shipping of the battery without being filled or charged at the factory. It is a well known fact among motorists that deterioration of the component parts of a battery is caused by the action of the acid upon the electrodes or plates of the interior. The Prest-O-Lite Green Seal battery is made dry at the factory and shipped assembled ready to receive the acid and charge for the first time at our service station the day that it goes into your car.

"That means that you get a fresh battery, newly charged the day it is connected up. Compare this with the old style storage battery that is fully made and charged the day that it leaves the factory. Perhaps it is one month in transit out here and lays on the dealers' shelf from three

## AUTOMOBILE ACCIDENTS IN LOS ANGELES

The congestion of traffic in Los Angeles caused by the increasing use of street cars and automobiles, was as follows during the past five months:

July 1156.  
August 1411.  
September 1466.  
October 1516.  
November 1545.

That the number of accidents may be reduced the City Council is urging that that all parking of vehicles be prohibited in the district bounded by First and Tenth Streets, and Los Angeles and Figueroa between 9 a.m. and 7 p.m.

State highway work now under contract in Oregon amounts to a total of more than \$21,464,000. This is the estimate of Secretary Klein of the State Highway department.

to nine months before it is purchased. During this time the action of the acid upon the plates of the battery has had a deteriorated effect. That battery is from six to nine months "worn out" the day that it goes into your car."

Not only in Southern California, but throughout the United States, the "Green-Seal" Prest-O-Lite battery has virtually stamped the battery market, according to reports that are coming to local dealers from various corners of the country. The experience of dealers in this community has been repeated time and again throughout the nation in as much as there has been no advance in price of the Prest-O-Lite due to the Green Seal feature and likewise due to the fact that Prest-O-Lite is known as the oldest service to motor car drivers in the United States.

## NEW SCENIC ROAD

PROPOSED ARROYO SECO HIGHWAY EXAMINED BY FEDERAL, STATE, COUNTY OFFICIALS

If plans carry for the projected beautiful new highway in the San Gabriel mountains, Glendaleans as well as other residents of Southern California will one of these days be enjoying another mountain thoroughfare which, it is said, will be one of the most beautiful with respect to the scenery it will command, in the United States. The project is being warmly urged by

the City of Pasadena which has made an appropriation of \$22,000 towards it. The Board of Trade of that city has also appropriated \$10,000 for the same purpose. Los Angeles County has given \$10,000 and the U. S. Forestry Service \$21,000. Apart from the value of the highway when completed will be the added advantage of the work it will provide for labor. The party which made the tour of inspection and which is trying to unify all interests to promote the building of this mountain boulevard was made up of federal, state, county and municipal engineers, highway and park commissioners and members of boards of trade. The \$63,000 now available will not be sufficient to build the road.

## Have Ford Mechanics Repair Your Car

The mechanics in our shops who will adjust or repair your Ford car, or Ford truck, are men who understand the Ford mechanism and who know the Ford way of making repairs and replacements. They are experienced Ford mechanics, and because of their familiarity with Ford cars can do your work more intelligently and more quickly than can other skilled mechanics who lack Ford experience.

The work on your car will be done in a completely equipped shop with time-saving Ford tools and equipment. Whether your cars need an adjustment or a thorough overhauling, we are prepared to give you careful and prompt service. And nothing but the Genuine Ford-made parts and replacements will be used. When the work is finished, the charge will be the reasonable, standard Ford prices.

Our stock of Ford parts is always complete. And our Ford garage and Ford mechanics are at your service at any time. We are Authorized Ford Dealers, and not only repair Fords, but also sell them. Drive in or phone any of the following. Be fair to your car and your pocketbook:

## THERMOID TIRES AND TUBES

The Motor West gives some statistics:

"Multiply the price you pay for one automobile tire by 28,000,000, plus a goodly sum, because a goodly portion are for motor trucks. Then add not less than 12,000,000 more for annual replacements, to say nothing of inner tubes. It makes quite a total, in numbers and in dollars. One could retire, acquire Bright's disease, and die young, even with a small part of the sum.

Putting the total number of tires at 40,000,000 and averaging their cost, including inner tubes as low as \$25, produces \$1,000,000,000 on paper, which is not nearly as much as the actual money result.

Probably it is safe to assume that the average profit to users of tires is at least 5 per cent net, in one form or another; so that motor vehicle tires, producing profits of between five and ten billion dollars annually, and the number increasing rapidly, are one of the best little forms of investment to be found rolling around."

After a careful perusal of the above we cannot help but comment that this line of business so extensive and intensive in its scope effects the vital interests of every car owner or every one of us because we are all prospective car owners. It is of interest to us to know that we have able, conscientious and good tire dealers carrying our needs. There is by far too much price cutting and innumerable other evils in this line of business as there are in all other lines carried on at so gigantic a scale.

Buriff and Wells of this city have assured us that they are carrying a line of conscientiously made tires—tires that are made by people who have stood good their products for many, many years. Their product is the Thermoid Line, a sister product of the world famous brake lining, made by a family of gentlemen in every sense of the word, and carried by two of our esteemed fellow citizens.

A color scheme of rose-pink and violet was carried out in floral and other decorations and covers were laid for ten as follows: Mrs. F. England, Mrs. J. G. Monahan, Mrs. Halverson, Mrs. F. Wheatman, Mrs. Haeger, Mrs. Saunders, Miss Gracia Mosier, Mrs. Hodenhouse, Mrs. Winifred Monahan and the hostess. The informal program of the afternoon following the luncheon included considerable music.

### PATTERSON AVENUE DEVELOPMENT

Residents on Patterson Avenue are rejoicing in eight new houses on that thoroughfare either already built in prospect or partially completed. They are all bungalows. The one which has been finished was sold by Mr. Wheeler recently and is now occupied by the new owners. Mr. Wheeler has left the district and is now living on Hawthorne Avenue. Of the other bungalows four are being erected by J. F. Stanford and three by Mr. Pigg. One which is being put up by Mr. Stanford and which is under roof has a completed garage in which the owners for whom Mr. Stanford is building are now living. Of the eight houses mentioned the foundations of three were laid yesterday, one by Mr. Pigg, the others by Mr. Stanford. The Pigg house will be a Colonial bungalow, according to Mrs. Dietrich, who furnished the information about the development of the street.

J. F. Moody, a retired Baptist minister who bought property at 320 North Maryland about a year ago, is critically ill.

Miss Robertson, the Manual Training teacher of the Intermediate School, will go to her home in Pomona to spend the Christmas holidays.

The regular meeting of the Woman's Missionary Society of the Central Avenue Methodist Church was held Thursday afternoon at the home of Mrs. Blythe on East Garfield St.

Mrs. Elmer Glassburn, a former resident of Glendale, was the dinner guest Thursday evening of Mr. and Mrs. Ernest Harwood of Cypress Avenue.

Invitations are out for the wedding of Miss Margery Wallace and Will Hewitt which is to take place Christmas night at the Central Avenue Methodist Church.

Mrs. Carl Anderson and her daughter, Ruth, former residents of this city but now living in Long Beach, were in Glendale Friday transacting business and calling on old friends.

The Kindergarten Class at the Colorado Street School entertained the pupils of the first grade with a Christmas tree Friday afternoon. There was a little gift for each pupil and every one took part in the exercises.

A special open meeting to which all persons interested in missionary work were invited was held Thursday afternoon at the home of Mrs. McMillan on Perlita Avenue, which was addressed by a Salvation Army officer who told of her war experiences in a most interesting manner.

Mr. and Mrs. Hall and son, who recently arrived from South Dakota and who were guests for a time of Mr. and Mrs. A. R. Goodale of 1254 South Maryland, have gone to San Diego because they could not find satisfactory apartments here. They will spend the winter in Southern California.

Mrs. Flora Seymour of West Colorado Street was the luncheon guest on Tuesday of Mrs. Eustace B. Moore and her mother, Mrs. Pennyman, at their pleasant home on South Maryland Avenue. Mrs. Moore returned from the north a few days ago. She will tonight be one of the entertainers at the Parent-Teacher Association meeting of the Loretta School in East Los Angeles, of which organization she was once an officer.

### BIRTHDAY CELEBRATION

In celebration of the thirteenth birthday of her daughter, Geraldine, Mrs. Thomas James Meagher of West Garfield Avenue, entertained twenty-five of Geraldine's friends on Saturday afternoon.

The holiday motif was carried out in attractive floral decorations with poinsettias, ferns, and pepper boughs arranged artistically throughout the rooms. In the dining room a Christmas tree adorned with many bright trimmings and laden with handsome gifts from Geraldine's friends added to the cheery appearance. From the ceilings and archways huge Christmas bells were suspended.

A handsome birthday cake lettered with Geraldine's name and age centered the table, also many other goodies such as delight the hearts of children. Many interesting games were enjoyed. Around the open fireplace marshmallows were roasted and many good wishes were given to the dear little girl, whose thirteenth birthday will long be remembered.

WEATHER FORECAST: Fair tonight and Sunday. Colder, heavy frost.

## INCOME

In a material way, doesn't that word express about all a man needs, for his family and himself? If you can be assured of a good income to the end of your life and that of your wife, isn't the real burden of responsibility lifted?

There are very few ways in which that desideratum can be made SURE. A "Continuous Income Policy" in the Provident is the best way—easiest to carry out. The law of average is the basis. You can not, alone, make an average. Put the hazard of your life into a selected company of men where the deaths average only about half of the expected and where you get the full benefit of this saving in mortality.

Talk to me further about it.

### FUNERAL OF GEORGE E. ADAMS

Friday afternoon at 3 o'clock, a large number of citizens gathered at the Little Church of the Flowers where funeral services were held over the remains of George E. Adams, whose tragic death was such a shock to the community. Many and very beautiful floral tributes testified to the place deceased had held in the respect of the community and to the universal sympathy for members of his family. The service was conducted by Rev. E. H. Willisford, of whose church Mr. Adams had been a member, and Rev. Learned, Rector of St. Luke's Episcopal church of Pasadena, a nephew of Mrs. Adams, assisted. Two numbers were sung by Blake Franklin and Mrs. Hartley Shaw—"Beautiful Isle of Somewhere," and "Sometime We'll Understand." Some very beautiful floral pieces were sent by the Congregational church and Sunday School, by the Tuesday Afternoon Club and its Literary Section, of which Mrs. Adams is a member, besides numerous personal offerings.

### DEATH OF G. T. CHAPMAN

Gilbert Thomas Chapman, who resided with his sister, Anna E. Chapman at 312 North Belmont Street, died today, December 13, 1919, after having lived in Glendale for about two and one-half years. He was born in Canada September 29, 1879. Funeral services, which will be in charge of Pulliam & Kiefer, will await the arrival of a brother from Moosejaw, who is now on his way. Another brother, who resides in Vancouver, is now here.

### HOME MISSIONARY MEETING

Members of the Women's Home  
Missionary Society of the Glendale  
Baptist Church met Thursday after-  
noon at the home of Mrs. Roy Kent  
on North Central Avenue. The at-  
tendance was large in spite of threat-  
ening weather. Mrs. Hoskins gave a  
piano solo and Mrs. Walter Stamps  
read in an effective manner the  
story of a Christmas barrel sent to  
missionaries at a frontier point, a  
story in which comedy and pathos  
were blended and which contained a  
good many useful lessons. Other  
numbers were furnished by Mrs.  
Kent's children. Wesley playing a  
couple of piano solos. Howard and  
Ethelwyn giving recitations. Mean-  
while the ladies accomplished some  
Christmas work for the Cosmopol-  
itan Mission in Los Angeles.

### FINES AND PENALTIES

(Continued from Page 3)  
fornia by the board of directors of  
the Automobile Club of Southern  
California unless the death toll in ac-  
cidents is reduced within the next  
ten days.

In keeping with the action of  
Eastern cities where traffic law vi-  
olators have been sentenced to take  
slow walks through the morgue in  
company with a deputy coroner, and  
to maintain a "death watch" by the  
bedside of their victims, the Auto  
Club officials are seriously consider-  
ing drastic recommendations for lo-  
cal courts to adopt.

It is proposed to recommend that  
confirmed speeders be sentenced to  
do repair work on the rural roads  
with hot asphalt, wearing red cotton  
coats of a brilliant hue. The Auto  
Club will furnish the coats, accord-  
ing to President Fred L. Baker.

For those who are careless with  
broken headlight and windshield  
glass, it is proposed that they serve  
on a special "glass cart" now being  
built by the club. There are an av-  
erage of sixteen calls a day at club  
headquarters complaining of broken  
glass on the highway, and some one  
will have to sweep it up. Let the  
speeders do it, say the directors.

For those who drive their cars at  
reckless speed across street and  
highway intersections and smash in-  
to other autos, it is proposed that  
they be given the privilege of occu-  
pying the driving seat in the police  
ambulance on some of its wildest  
trips, and that they be allowed to  
thus see the errors of their way. One  
objection has been voiced to this by  
a club director in that it might en-  
courage instead of discourage fast  
driving.

Compulsory witnessing at the au-  
topsies held over victims of reckless  
drivers is another recommendation  
which is being considered as a sen-  
tence for the violators of traffic  
rules.

Other and even more severe mea-  
sures are being contemplated by Auto  
Club officials in their safety cam-  
paign, following the statement from  
the police traffic bureaus of south-  
ern counties that accidents have in-  
creased instead of diminished with-  
in the last month and that the death  
toll is growing.

### CHRISTMAS PROGRAM

(Continued from Page One)  
nations. It is the greatest day in  
the year for all peoples. Christmas,  
he continued, still has associated  
with it some of the customs which  
have come down to us from heathen  
ancestors, but it is the birthday of  
one who changed the whole history  
of the world, and spread the gospel  
of helping others.

Following this was a pageant en-  
titled: "The Mother Year," with a  
musical accompaniment. January  
was represented by Katherine Ben-  
der, dressed in white and silver to  
suggest ice and snow; February was  
Lois Naudain, in white, festooned  
with strings of red hearts; March was  
Lucile Allen, dressed as an Irish  
peasant girl in green cap and skirt;  
April was Vesta Morrow, in lavender  
gown and carrying flowers; May was  
Cecil Chase, dressed in pale blue and  
carrying a basket of flowers; June  
was Gertrude Ewins in a daisy cos-  
tume; July was Marcella Webb, in  
dainty liberty costume, and attended  
by four boys in Colonial costume,  
viz: Bertrand Foster, Leslie Hatch,  
William Gillette, and Kenneth Lee;  
August was Katherine Stofft, who  
was dressed in blue and carried  
sheaves of wheat; September was  
Margaret Robinson, dressed in pur-  
ple and white and carrying fruit; Oc-  
tober was Gladys White, dressed in  
the autumn colors of green and yel-  
low and also carrying fruit.

Two represented November, Al-  
fred Talliaferro being the boy and  
Frances Drake the girl, garbed in Pil-  
grim costume. Alfred carried a gun  
and Frances a Bible. December was  
Shirley Chase in the white costume  
of an angel crowned with a star.  
Each girl gave a recitation and then  
took her place at the back of the  
platform. Ten girls of the Glee Club,  
dressed as angels, then came in from  
the sides singing Christmas carols.  
Two numbers were then played by  
the school orchestra, led by Miss  
Brennan.

The program closed with the sa-  
lute to the flag and dismissal from  
school for two weeks or until De-  
cember 29th.

### O. E. S. INSTALLATION

(Continued from Page One)  
held baskets and jardinières of flow-  
ers.

The program opened with the es-  
corting to the east of the retiring  
Matron and Patron, Mary G. Pollock  
and David Crofton, followed by the  
escorting to the east of past matrons  
and past patrons as follows: Past  
Matrons—Miss Cora Hickman, Mrs.  
Adelaide Imler, Mrs. Mary Ogden  
Ryan, Mrs. Pearl Tower, Mrs. War-  
ren Roberts, Miss Della Marie Ech-  
ols; Past Patrons—Dan Campbell, E.  
U. Emery, Warren Roberts, A. M.  
Beamon and Robert Grumbling. Of-  
ficers elect were then escorted to  
the chapter room, each lady carry-  
ing a shower bouquet of maiden-  
hair fern and pink sweet peas. They  
were installed by the retiring Ma-  
tron, Mrs. Mary G. Pollock, who had  
perfectly memorized the work and  
who performed her part with great  
credit to herself and the chapter.  
Lillian Rae Beamon was the install-  
ing marshal, Margaret McPeak  
Campbell (Past Grand Chaplain)  
was the installing chaplain. Just  
preceding the installation Mrs.  
Frank Thomas gave a beautiful vo-  
cal number for which Mrs. Alexander  
Mitchell furnished the piano accom-  
paniment. Later when the points  
of the star were installed she sang:  
"Star of the East," Mrs. Mitchell  
again presiding at the piano. Miss  
Alice Gray Beach was the pianiste  
for the installation services.

Other program numbers which  
were interspersed with installation  
ceremonies were: Duets by Mrs.  
Pearl Curran; pianiste and Miss Ha-  
zel Linkogel, violinist, and a reading  
by Mrs. Henry W. Alston.

Officers installed were: Sallie  
Campbell Braden, Worthy Matron;  
James Wyvell, Worthy Patron; Orma  
V. Naudain, Associate Matron; Ma-  
bel Rudy, Secretary; Alice M. Car-  
vel, treasurer; Josephine Woolsey,  
Conductress; Mildred Lyon, Asso-  
ciate Conductress; Fannie Mabel  
Parke, Chaplain; Annie Ethel Rat-  
tray, Marshal; Elizabeth Hill Brown,  
Organist; Dorothy B. Morton, Adah;  
Mabel F. Wilbur, Ruth; Franc  
Kinch, Esther; Jennie Phillips, Mar-  
tha; Mae Cornwell, Electa; Eva G.  
Vesper, Warden; Francis Booth,  
Sentinel.

Following the installation, David  
Crofton, retiring Patron, presented  
Mrs. Pollock with a Past Matron's  
jewel. She made a beautiful speech  
in acknowledgment and Mrs. Braden,  
the incoming Matron, made an  
excellent speech. Mr. Crofton then  
presented Mrs. Pollock with a hand-  
some cut glass dish, the gift of the  
chapter as a token of appreciation  
for her services. This was but the  
beginning of beautiful remembrances  
with which Mrs. Pollock was show-  
ered. From Mrs. Braden she re-  
ceived another cut glass dish, from a  
sister in the east a string of pearl  
beads and an Eastern Star ring, from  
a brother a silver mesh purse. Mrs.  
Beamon, the installing marshal, gave  
her a very pretty cut glass vase.

Mrs. Braden was also the recip-  
ient of tributes of regard, Pacific  
Chapter, of which she was formerly  
a member, sending her a very beau-  
tiful bouquet. From Mr. and Mrs.  
Thomas, who are old friends, she re-  
ceived a lovely basket of flowers,  
and some lovely pink roses from her  
two sons. A very handsome white  
ostrich fan was received by her from  
another relative, and a gift from Past  
Matron, Miss Echols.

## Christmas Wouldn't be Christmas Without Candy

Children love candy instinctively which is proof that  
pure candy is not harmful if taken in reasonable quan-  
tities. We all want candy at Christmas if at no other  
time of the year.

We always feature candy for the Christmas trade.  
Glendale people have learned that we are holiday head-  
quarters for candy of all kinds and they seek this store  
instinctively for their holiday sweets.

This year we have laid in large stocks of bulk candies in  
anticipation of the Christmas trade and our chocolates  
are replenished so often that they are always nice and
